The deciding factor should always be what a person has contributed to help promote interest in ALL BOWLING, the candidate's willingness to assist in all association and league matters, and always striving to advance the game of bowling as the good clean sport it is for everyone.

A bowler can nominate any Fayetteville bowler from any Fayetteville league as long as the person being nominated meets the requirements. Since it is impossible for us to know everyone, please submit an informative and accurate resume explaining why the person you nominated deserves this award. Your committee needs this information to ensure that the best candidate is chosen. All detailed resumes and/or letters must be signed, dated and placed in a sealed envelope. Completed nomination may be placed in any Fayetteville drop box located at each of three city bowling centers. Names alone will not be considered.

Deadline: July 31, annually.
